PORTFOLIO PROJECTS

- Projects developed and deployed can be found in my portfolio website.
  Website: https://fonyuyclement.com

WORK EXPERIENCE

Oct 2019–Oct 2022	**WordPress Developer, BOCH Tech LTD** Buea, South-West, Cameroon

- Developed a responsive and user-friendly shop for a major client, out of satisfaction above expectation got great feedback, recommendations and a week later received 2 new project proposals.
- Implemented SEO best practices in major clients websites and optimized clients websites for speed and performance resulting in faster load times on both mobile and desktop devices and improved rankings on search engines and resulting in more organic traffic and a 25% increase in conversion rates.
- Added chat widgets and configured automatic responses on websites, resulting in 3 times increase in average time user spends on the website and a 50% increase in purchases unassisted by humans.

Sept 2018–Aug 2019   **Mathematics Teacher, Government Bilingual High School**
Mundani-Wabane, South-West, Cameroon

- Delivering engaging and effective instruction in mathematics concepts, theories, and problem-solving strategies to students of varying abilities and learning styles resulting in better problem-solving ability.
- Administering assessments, quizzes, tests, and other forms of evaluation to measure student progress, diagnose learning needs, and provide timely feedback for improvement resulting in improved grades.
- Analyzing student performance data to identify trends, strengths, and areas for improvement, and using data-driven strategies to inform instructional planning and decision-making resulting in better structured curriculum.

ADDITIONAL SKILLS

- Driver's License: Class B
- English: Native
- German: B1 Certification (DTZ)
